Fund (PDDF) to not accept or offer any form of reward in exchange for performing duties  
(No Gift Policy)  
Fiscal Year B.E. 2567 (2024)

.....

Public Debt Restructuring and Domestic Bond Market Development Fund (PDDF) is a state agency responsible for managing funds obtained through the raising of loan for public debt restructuring and the raising of loan for development of the domestic debt instrument market under the Public Debt Management Act. PDDF has strong commitment towards anti-corruption of all forms, ensuring transparency in organization, good governance practices, morality and accountability.

PDDF hereby declares its dedication to the No Gift Policy that all PDDF executives and officers shall neither accept, give, nor seek any gifts, rewards, or benefits, whether legally permissible or not, as a result of performing their duties, whether during, before, and after the execution of duties. PDDF is devoted to fostering a culture of transparency and addressing conflicts of interest, thereby reaffirming the principles inherent in its core values of integrity in the organization. PDDF would be grateful to receive congratulations, gratitude, greetings, or condolences via signed greetings or e-cards, or social media instead.
